

I believe that in each generation God has called enough men and women to evangelize all the yet unreached tribes of the earth. – Isobel Kuhn, missionary to China and Thailand

Dave speaking in a public school

Dave is speaking to several hundred children in the Monterrico area. Thankfully the kids had a shade with 100+ degrees in the Guatemalan sun.

Debbie in Prayer

Debbie is praying with one of the 10,000 plus students who wanted to receive Christ during our One Way Guatemala outreaches in public schools this summer.

One Way Guatemala Outreaches

Teams from Illinois, New Jersey AIM, Georgia, Alabama, North Carolina, Florida Chi Alpha, and Texas helped us host dozens and dozens of evangelism outreaches across Guatemala.

Tough Road

On our way to a church in Chiantla in the state of Huehuetenango, Guatemala. Our bus could not travel the last several hundred yards so we walked to bring the gospel.

Corn Festival

In August our One Way Guatemala and New Jersey Ambassadors in Mission teams had a series of outreaches in Huehuetenango on the far western side of Guatemala. During one of our school outreaches the students presented their traditional corn festival with typical outfits and foods from their area.

The blouses the girls wear are called Huipiles and their skirts are called cortes. These girls are showing different types of corn from their villages.

Outreach Report

It looks like we will finish 2018 with at least 100 outreaches and ministry events across Guatemala. We have been in dozens of public schools where we witnessed at least 10,000 children pray to receive Christ.

We also launched Project Protect Me Guatemala, hosted several training events in churches for children's leaders, spoke several times on Radio Cultural and we were the guest speakers for a kids event with 5,000 children and their families.

Thank you for your support and prayers!!!!
